**15**  
REASONS WHY YOU SHOULD KNOW THESE 15 DESIGNERS

## STEALING THE SHOW AND HOW...WE TELL YOU!

1. Close to 25 years of delivering holistic spatial solutions
2. An impressive roster of clients with 650+ completed projects
3. A diverse portfolio of pan-India projects under their belt
4. Ventured into the international landscape with two notable projects in Denver, USA
5. Bagged awards for striking office designs... certainly one of their fortes!
6. Astute spatial planning skills
7. A discerning eye for aesthetics
8. Bringing unique perspectives to the table
9. Leveraging individual core strengths for innovative design solutions
10. Developing projects with a striking blend of engineering and creativity
11. An organised yet flexible design approach
12. Devising innovative ideas to tackle spatial constraints
13. Infusing their signature touch in each project
14. Deft at streamlining last-minute hiccups on-site
15. Knack for nailing project briefs... undoubtedly their clients' favourites!

In the realm of interiors design, our mission and vision focus on crafting projects imbued with innovative thinking, meticulous attention to detail, and comprehensive concepts aimed at enhancing spaces.

— Amit Maitra and Kallol Baroi, Directors and Principal Designers, AK Group
